On July 2, 1992, South Central Bell Telephone Company ("South Central Bell") filed proposed changes to its Kentucky Intrastate Access Tariff, 2E, which introduces Open Network Architecture Intrastate Access Service and associated services. The tariff was proposed to become effective on July 31, 1992.

On July 29, 1992, MCI Telecommunications Corporation ("MCI") filed a motion to intervene and requested that the tariff filing be suspended. The tariff was suspended for proceedings to determine its reasonableness and MCI was granted full intervention on July 31, 1992. MCI was directed to file comments with the Commission specifying in detail its concerns with the proposed tariff. These comments were received on September 28, 1992.

AmeriCall Systems, Inc. ("AmeriCall") and AT&T Communications of the South Central States ("AT&T") have requested and been granted full intervention as of September 24, 1992. AmeriCall and AT&T should file comments specifying in detail their concerns for the proposed tariff. South Central Bell should be given an opportunity to respond to all comments simultaneously.

IT IS THEREFORE ORDERED that:

1. AT&T and AmeriCall shall file comments concerning the proposed tariff within 20 days of the date of this Order.

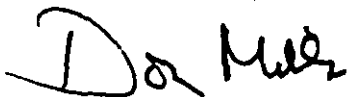

2. South Central Bell shall respond to MCI's comments and those of AT&T and AmeriCall within 40 days of the date of this Order.
